

2023 SUPER MOCK CLOTHING & TEXTILES 3

PAPER 3

GENERAL INSTRUCTIONS

You are provided with **one** pattern piece girl's bloomer which contains:

- A - front piece
- B - back piece

*Spend **30 minutes** to study the question paper, pattern pieces, the fabric and to separate the pattern pieces before the test begins.*

The examiner will tell you when to begin the test.

*You should attempt **all** parts of the test in order given.*

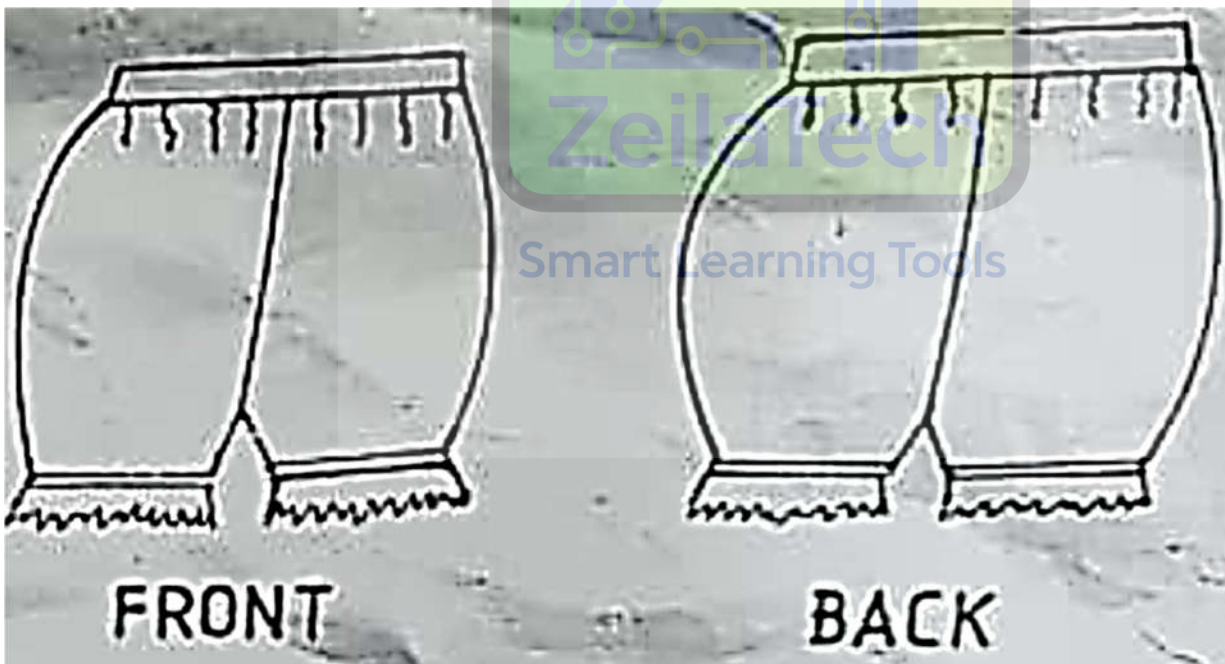

*At the end of the examination **no** pins should be left in the work.*

All uncompleted pieces of the work should be put together with a backstitch and submitted.

*The candidate's **name** and **index number** should be written and stitched on the article.*

PREPARATION AND CUTTING OUT

1. You are expected to cut out and make up a girl's bloomer so that the finished article will look as below:

- a. Lay out the pattern pieces economically on the fabric, pin and cut out.
- b. Transfer all necessary pattern marking

MAKING UP

2.
 - a. Join the inside leg seam using French seam.
 - b. Join the crotch using machine fell seam.
 - c. Gather and attach lace to one leg of bloomers using bias binding as facing. Tack facing in position.
 - d. Turn and machine stitch the waist hem leaving 5cm opening.
 - e. Insert the elastic and close the opening
The finished waist measurement should be 45cm.
 - f. Attach label.
